3.0 FUNDING

3.1 Amendment

This Section 3.0 represents the parties' agreement pursuant to subsection 4.5 of the Operating Agreement with respect to funding for the years 2004 and beyond on a multi-year basis. In accordance with such subsection, all estimates, budgets and approvals will be made, provided, or given in adherence to the principles contained in the Shareholder Direction and the goals and objectives of TCHC's Community Management Plan Rent supplement payments under the Rent Supplement programs administered by the City with respect to units in housing projects owned, leased or operated by TCHC will be reported on and funded separately under separate agreements between TCHC and the City.

3.2 Funding Level for 2004

The parties agree that the aggregate funding required by TCHC for calendar year 2004 was equal to the total amount of principal and interest payments made during that **Fiscal Year** under the mortgages described in Appendix "1", the actual amount of property taxes paid by TCHC in respect of the Housing Projects described in Appendix "2" for that **Fiscal Year**, plus an amount of \$ 59,710,128_ as a residual operating support; and that such amounts are not subject to adjustment.

3.3 Funding Levels for 2005 and beyond

Subject to the approval by City Council of each annual budget submitted by Shelter, Housing and Support, and to any consents or approvals required from the Minister, funding levels for the 2005 **Fiscal Year** and each **Fiscal Year** thereafter will be based on the following:

- a) The subsidy for the Housing Projects described in Appendices "1" and "2" for any **Fiscal Year** which commences after December 31, 2004, shall be the total of:
 - i) the **Mortgage Subsidy** as calculated in sub-section (b);
 - ii) the **Property Tax Subsidy** as calculated in sub-section (c); and
 - iii) the Residual Operating Cost Subsidy as calculated in sub-section (d).
- b) The **Mortgage Subsidy** shall be equal to the total amount of principal and interest payments to be made during the **Fiscal Year** under the mortgages described in Appendix "1" as the same may be renewed, replaced, amended or supplemented.
- c) Subject to sub-section (e), the **Property Tax Subsidy** shall be equal to the actual amount of property taxes payable by TCHC in respect of the Housing Projects described in Appendix "2" for the **Fiscal Year**.
- d) The Residual Operating Cost Subsidy is intended to fund a portion of the remaining operating costs of the Housing Projects described in Appendices "1" and "2" excluding mortgage costs and property taxes ("Residual Operating Costs"). TCHC is expected to

fund from other sources of revenue that part of its Operating Costs not covered by the Residual Operating Cost Subsidy. Subject to sub-section (e), the Residual Operating Cost Subsidy shall be equal to:

- i) in the 2005 **Fiscal Year**, the amount of \$ 61,895,519; and
- ii) in each **Fiscal Year** subsequent to 2005, the Residual Operating Cost of the prior **Fiscal Year** adjusted by the cost index for such **Fiscal Year** prescribed by the Minister pursuant to clause 2 of subsection 106(3) of the Act. Cost index increases are intended to include the increased utility costs of the Housing Projects described in Appendix "1".

Provided that in the event the maximum amount payable to a benefit unit for shelter assistance is increased or decreased pursuant to regulatory amendments under the Ontario Works Act, 1997 or the Ontario Disability Support Program Act, 1997, or the rent scales for the rent attributable to a benefit unit is increased or decreased pursuant to regulatory amendments to the Act, the parties agree to meet at the request of either party, within three (3) months following receipt of written notice of such request, to negotiate an adjustment to the amount of the Residual Operating Subsidy to take into account the increase or decrease in the rental income of TCHC as a result of such regulatory amendment.

- e) When a Housing Project described in Appendix "2" becomes Tax Exempt:
 - i) The amount of the **Property Tax Subsidy** shall be reduced and the amount of the Residual Operating Cost Subsidy shall be increased by the amount of property taxes that would otherwise be payable with respect to such property, based upon its assessed value at the time that it becomes Tax Exempt;
 - ii) In the event the property is sold, the **Residual Operating Subsidy** will be reduced by an amount based upon the original increase in the **Residual Operating Subsidy** when the property became Tax Exempt, pursuant to clause (i) above, as such amount has been adjusted each **Fiscal Year** by the prescribed cost index in accordance with sub-section 3.2(d);
 - iii) In the event the property ceases to be Tax Exempt, the **Property Tax Subsidy** will be increased by the amount payable as taxes for municipal and school purposes with respect to such property and the **Residual Operating Subsidy** will be reduced by an amount based upon the original increase in the **Residual Operating Subsidy** when the property became Tax Exempt, pursuant to clause (i) above, as such amount has been adjusted each **Fiscal Year** by the prescribed cost index in accordance with sub-section 3.2(d).

3.4 **Payment Schedule**

- a) On or before the first business day in January of each **Fiscal Year**, the City shall make a payment to TCHC of that portion of the **Mortgage Subsidy** that relates to the mortgages

described in Part B of Appendix "1" as the same may be renewed, replaced, amended or supplemented.

- b) payments of the balance of the funding, with respect to the **Mortgage Subsidy**, the **Property Tax Subsidy** and the **Residual Operating Subsidy** for each **Fiscal Year** shall be made in equal monthly installments on the first business day of the month, with monthly adjustments for increased or decreased mortgage payments based on actual renewal;

3.5 Ministerial Approval

The parties acknowledge that the funding formula provided for herein requires Ministerial approval in connection with the housing projects that are subject to Part VI of the Act. Accordingly, the proposed funding model is subject to Ministerial approval. If the Minister does not approve the funding formula, the parties acknowledge that they may be required by the Minister to comply with the provisions of Part VI in respect of those housing projects governed under that Part. In such event, the annual funding for any year will not be increased or decreased, but the calculations required to be made under Part VI will be made and the appropriate apportionment of the funding across the Portfolio will be made accordingly. The City will seek Ministerial approval in connection with the proposed funding.

4.0 REPORTS, RECORDS

4.1 Amendment

This Section 4.0 represents the parties' agreement pursuant to subsection 5.1 of the Operating Agreement with respect to annual reporting requirements.

4.3 **Auditors' Statements**

4.4 **Ministerial Approval**

The parties acknowledge that an Annual Information Return is currently required for the Portfolio and that any other form of reporting requires Ministerial approval. Accordingly, the parties acknowledge that they may be required to comply with the reporting requirements under the Act unless the Minister approves an alternate reporting format. The City will seek Ministerial approval for whatever form of reporting the parties wish to use.

5.8 No Interference

All rights and benefits and obligations of the City under this Amending Agreement shall be rights, benefits and obligations of the City in its capacity as a service manager under the Act and shall not derogate from or interfere with or fetter the rights, benefits and obligations of the City in its functions and capacity as a municipal corporation.

TCHC shall execute and deliver all such further documents and do such further acts and things as the City may reasonably request from time to time to give full effect to this Amending Agreement.

5.10 Waivers and Consents

No term or provision of this Amending Agreement shall be deemed waived and no breach consented to, unless such waiver or consent shall be in writing and signed by an authorized member or staff of the party claimed to have waived or consented. No consent by a party to, or waiver of, a breach under this Amending Agreement shall constitute a consent to, waiver of, or excuse for any other, different or subsequent breach.

5.11 No Partnership or Joint Venture

This Amending Agreement is not intended to create, nor does it create, a joint venture or partnership between TCHC and the City. It is acknowledged and agreed that TCHC does not acquire any right, title or interest in any property of the City by virtue of this Amending Agreement.
