

Violence Reduction Program Update – Q1 & Q2 2023

Item 6

September 29, 2023

Community Safety Advisory Sub-Committee

Report: CSAC:2023-10

To: Community Safety Advisory Sub-Committee ("CSAC")

From: Acting Senior Director, Community Safety Unit and Acting Director, Programs and Partnerships

Date: August 24, 2023

PURPOSE:

The purpose of this report is to provide an update on the progress and performance of the Violence Reduction Program ("VRP") for Q1 and Q2 2023 from both Programs and Partnership ("PAP") and the Community Safety Unit ("CSU").

RECOMMENDATIONS:

It is recommended that the CSAC receive this report for information and forward it to the Tenant Services Committee for information.

REASONS FOR RECOMMENDATIONS:

At its meeting of June 27, 2019, the Board of Directors directed staff to operationalize the Violence Reduction Program ("VRP"). This report provides an update on activities and performance of the VRP.

Background

The VRP has been developed with the objective of enhancing the safety and security of tenants residing in Toronto Community Housing ("TCHC") properties. This initiative was launched in response to the disproportionate incidents of violence at TCHC properties, which are primarily rooted in poverty, addiction, mental health issues, and street involvement among the tenant population.

The VRP adopts a comprehensive approach that encompasses enhanced enforcement activities through the deployment of dedicated, on-site CSU staff, close collaboration with the Toronto Police Service (“TPS”), and the implementation of economic development programs and community and social support measures in partnership with the City of Toronto (the “City”).

The VRP recognizes the need for a multifaceted response that can address the underlying social and economic issues that give rise to violence in these communities. Through the collaborative efforts of TCHC, TPS, and the City of Toronto, the VRP aims to improve the living conditions and quality of life for TCHC tenants, while also fostering a safer and more secure environment for all residents.

As requested at the March 8, 2023, CSAC meeting, the table presented below provides the total number of tenants residing in TCHC properties within each region, categorized into VRP and non-VRP served communities. Note that the data excludes the number of tenants residing in the Toronto Seniors Housing Corporation (“TSHC”) properties.

Table 1: Tenants in Each Region (VRP & Non-VRP) of TCHC Properties (Excluding TSHC), 2023

Region	VRP	Total
Central	No	16,354
Central	Yes	10,383
Central Total		26,737
East	No	27,375
East	Yes	3,590
East Total		30,965
West	No	26,448
West	Yes	8,075
West Total		34,523
Grand Total		92,225

The East region has the lowest percentage of VRP tenants, with 11.56%, followed by the West region. Central region has the highest number of VRP tenants, with 38.8%.

Refer to Attachment 1, Table 1 for Q1 and Q2 2023 Violence Reduction Program Initiatives

Integrated Safety Coordination Teams

VRP staff contribute to monthly Integrated Safety Coordination Team (“ISCT”) meetings aimed at reducing gun violence in six zones across that city. These zones include VRP sites across all three regions. ISCT stakeholders include Toronto Police Services, Toronto District School Board, the City, and VRP and other TCHC staff. The meetings allow staff to share information, evaluate risk assessments and cross collaborate through geographic prioritization and key opportunities. VRP staff are also able to leverage this opportunity to align Programs and Partnerships activities within the specific sites.

COMMUNITY SAFETY UNIT VRP UPDATE

CSU Staffing Update

Due to the recent departures of some VRP officers, there are currently seven open positions within the VRP that are being filled by patrol staff as required. The CSU VRP Community Sergeants continue to work closely with officers in their respective communities and provide support in organizing and managing various community events.

There are 12 open VRP positions on hold as directed by the Board.

CSU Update in High Needs Communities¹

VRP Special Constables continued to attend their weekly Integrated Team Meetings (“ITM”) in Dan Harrison, Bleecker/Wellesley, Moss Park, Regent Park, Lawrence Avenue East, and the monthly ITM for 2195 Jane Street. VRP officers are continuously collaborating with their external and internal partners in the community. There are efforts underway to enhance the collaboration with TPS Divisional Neighborhood Officers to ensure effective and coordinated community policing.

Refer to Attachment 1, Table 2 for Q1 & Q2 2023, VRP Special Constables initiatives.

CSU Staff Supporting Revitalization Communities within the VRP

¹ Including Broader Dan Harrison

Regent Park

The Regent Park Community continues to benefit from an increased CSU presence and interactions due to our central district office being relocated to Regent Park from the Moss Park Community. The assigned VRP teams are maturing into their role and increased community engagement, such as the recent Regent Park Summer Safety Jam, reflects the increased community involvement. Regent Park VRP members continue to engage with residents, TCHC supports and other stakeholders.

Lawrence Heights

As with Regent Park, the recent redeployment has seen new officers serving communities in Q1 and Q2 2023, and are now showing positive impact from their time in the community where they have worked diligently to acclimatize themselves. There have been numerous community events both organized and contributed to by the CSU. The Lawrence Heights VRP team continues to engage with residents, TCHC supports and other stakeholders.

CSU Performance Measurement and Analysis (Q1 and Q2, 2023)

1. CSU Calls for Service

In Q1 2023, there was a notable increase of 364 calls for service compared to the same period last year, which represents an 8% rise. The increase can be attributed to the higher number of calls related to Trespass to Property, Parking, Neighbour Disputes, and Cause Disturbance/Loitering incidents.

When compared to Q4 2022, there was a 13% increase in Q1 2023 in calls for service, with a greater number of incidents related to Check Welfare, Cause Disturbance, and Trespass. The VRP team is closely monitoring these trends, and working with community partners to address the underlying issues and reduce the need for police intervention.

In the Q2 2023, there was an increase of 137 calls for service compared to the same period last year. The 3% increase is due to an increase in calls for Parking, Check Welfare, Theft and Cause Disturbance/Loitering incidents. Neighbour Dispute incidents were down from Q2 2022. There were increases in Assist Resident, CCTV, Theft and Parking incidents and decreases of Trespass to Property and Neighbour Dispute incidents when compared to Q1 2023.

Attachment 2, Table 2A further shows calls for service by VRP community and including the VRP 2023 Priority Pilot Sites.

2. Crime on TCHC Property

Crimes against Persons:

In Q1 2023 there was an increase of 15 incidents (22%) compared to Q1 2022 in crimes against persons, primarily due to reported assaults (+16) and sexual assaults (+5), but there was a decrease in assault with weapon (-6). There was a decrease in serious violent incidents from 29 to 26, which represents an 11% decrease.

In Q2 2023, there was an increase in overall crimes against persons by 43 incidents (+58%) compared to Q2 2022. The increase is primarily due to the rise in reported Assaults (+19), Assault with a Weapon incidents (+13) and Sexual Assaults (+8). There was a decrease in Indecent Act (-4), Attempt Homicides (-3) and Discharge Firearm incidents (-2). In May 2023, there was a significant increase in reported crimes against persons compared to Q2 2022. Both Bleecker/Wellesley and Moss Park had increases in reported assaults and assault with a weapon.

Crimes against Property:

For the first quarter of 2023, reported crimes against property in VRP communities increased by 29 incidents or 22% compared to the same period in 2022. The increase can be attributed to a rise in reported mischiefs (graffiti), thefts, and break and enters.

In Q2 2023, there was an increase of 51 incidents or 40% compared to Q2 2022. Reported crimes against property have increased primarily due to an increase in reported Thefts (+38) and Mischiefs (+21). There was a decrease in reported mischief (graffiti) (-9) and break & enter (-7) incidents.

For a more detailed breakdown of crimes against persons and property in VRP communities by the TSHC and TCHC portfolio, including Revitalization sites, refer to Attachment 2, Tables 2B and 2C.

Shooting Incidents in VRP Communities:

The Community Safety Unit had begun collaborating with the City of Toronto and Toronto Police to improve the accuracy of shooting data, however due to other operational demands, the Toronto Police have been unable to continue to allocate resources to the effort. City staff will be following up on moving this initiative forward.

Once the initiative resumes, the CSU aims to continue the collaboration with the Toronto Police to reconcile all addresses, complete all reporting requirements, fully automate workflows and data processes, and evaluate the solution. A progress report is scheduled for Q1 2024.

3. Crime Prevention Efforts

The CSU's efforts to reduce and prevent crime on TCHC properties, particularly at VRP sites, continue using safety audits that provide recommendations for site staff to implement to enhance the safety of the neighborhood for tenants. The audits incorporate Crime Prevention through Environmental Design ("CPTED") principles to guide recommendations that support a safer environment.

CSU patrols serve as proactive measures to deter crime and foster relationships with tenants, site staff, and other stakeholders. The patrols are conducted either on foot or mobile, and in Q1 2023, a total of 3,272 patrols were conducted, some of which were joint efforts with Toronto Police. Patrol schedules are based on VRP officer availability, TPS availability, and community needs. In Q2 2023, 2,750 patrols were conducted.

In Q1 and Q2 of 2023, there was a significant increase in engagement activities compared to same time during the previous year that were initiated by Community Safety Advisors ("CSA"). In Q1 2023, there were 207 activities conducted compared to 125 in Q1 2022, and 230 conducted in Q2 2023 compared to 166 in Q2 2022.

Engagement activities encompass a range of initiatives, including community events, presentations, safety meetings, tenant management meetings, and tenant visits. CSA staff continue to prioritize engagement activities as a means of improving communication and engagement on safety issues within the community. Note that the engagement activity data

presented in Attachment 2, Table 2 excludes any activities initiated or participated in by Special Constables.

TCHC's Legal department plays a crucial role in preventing and addressing crime by issuing eviction notices. In addition to the N6 (illegal acts) and N7 (health and safety) notices shown in Attachment 2, Table 2, TCHC also issues N5 notices for interfering with others, damage to property, and overcrowding, all of which are considered anti-social behaviors. In Q1 2023, TCHC issued four N5 notices and in Q2 2023, TCHC issued 13 N5 notices. Notices issued for anti-social behaviour demonstrate TCHC's commitment to maintaining a safe and secure living environment for all tenants.

IMPLICATIONS AND RISKS:

With seven CSU VRP positions vacant and on hold as directed by the Board, existing CSU front line patrol staff are stepping in to fulfill these duties as needed. However, these officers may be called upon at any time to respond to priority calls for service or critical incidents throughout the City, thus leaving VRP locations for periods of time without service, potentially resulting in increases in anti-social activity.

Item 6 – Violence Reduction Program Update – Q1 & Q2 2023
 Public CSAC Meeting – September 29, 2023
 Report #: CSAC:2023-10
Attachment 1

Table 1: Q1 and Q2 2023, Violence Reduction Program Initiatives – West Region

Quarter	Initiative
Q1 2023	Mental Health First Aid training was provided for tenants in various communities.
Q1 2023	Games Nights initiative at 2195 Jane Street (Downsview Acres) to help reclaim the community space through social and food security programs for seniors.
Q1 2023	Seniors Wellness Breakfast program in the Firgrove and Yewtree communities addressed a range of issues impacting seniors, such as fraud prevention, unit takeovers, and cognitive health awareness.
Q1 2023	The Public Legal Education and Information for Racialized Youth program, led by the Ontario Justice Education Network, was offered in the East and West Mall communities in partnership with LAMP Community Services.
Q1 2023	The six-week W.R.I.T.E – Healing Music Program launched on March 15, 2023. The program aimed to provide healing through music for youth aged 14 to 19 in the Islington/St. Andrews communities.
Q1 2023	The West VRP team in Mabelle partnered with Dixon Hall to host an Employment Information Session. The session provided tenants with information on Dixon Hall's employment programs and services.
Q1 2023	In March 2023, VRP staff collaborated with the Lawrence Heights revitalization team to engage youth in a scholarship series.
Q2 2023	Community Healing Project documentary screening and panel discussion centered on strategies to prevent youth violence was held in Lawrence Heights. 90 community members attended.
Q2 2023	Over 250 people attended the Construction and Trades Fair. There were employment and apprenticeship opportunities for participants including wraparound education supports to reduce barriers to entry into the trades. Multiple partners participated.

Quarter	Initiative
Q2 2023	Seniors Wellness program at 415 Driftwood focused on unit takeovers, elder abuse and seniors' sexual health education, along with a fitness component to encourage active lifestyles. Partners included Black Creek Community Health Centre.
Q2 2023	The TrueVision: Mini-Series virtual program for 16 to 29 year old tenants from Pelham Park Gardens focused on career development, bursaries and branding.
Q2 2023	The Stage Theatre Program provided an early intervention program for children in the Shoreham community who face collective adverse experiences from residing in a community with chronic gun violence.
Q2 2023	The team supported a tenant leader from Lawrence Heights to implement a Children's Art Therapy program in Lawrence Heights in partnership with Unison's Youth Violence Prevention department. The program provided tools and support to youth aged seven to 14 that have experienced gun violence in their community.

Table 2: Q1 and Q2 2023, Violence Reduction Program Initiatives – Central Region

Quarter	Initiatives
Q1 2023	The Central team partnered with Emergency Medical Services ("EMS") to implement a community paramedic clinic on-site at the Dan Harrison Complex biweekly.
Q1 2023	In collaboration with the Community Economic Development Team and The Centre for Advancing the Interests of Black People, the team prepared 10 youth to meet with Chief Demkiw and the TPS executive leadership team, for a solution-focused and action-oriented discussion about community policing and mental health concerns in both the community and in the police service.
Q1 2023	A working group consisting of Regent Park Safety Network members, co-chairs, and VRP Community Service Coordinators was established to complete the revision of the local safety action plan.
Q2 2023	The Regent Park Summer Safety Jam brought together local VRP sites to meet and get information from law enforcement in their areas. TPS, CSU and TTC Officers had booths and more than 2,500 people attended.

Quarter	Initiatives
Q2 2023	The Harm Reduction Working Group for Dan Harrison Complex developed and implemented evidence-based approaches to harm reduction. Tenants at Dan Harrison and 200 Wellesley received education and awareness.
Q2 2023	A Tenant Advisory Group has been established at 200 Wellesley. They join the Harm Reduction working group meetings to share their unique perspectives and lived experiences to help the Violence Reduction Program.
Q2 2023	Tenants had the opportunity to explore various skilled trades, job training programs and career opportunities at the Trades In The 6ix skilled trades fair.
Q2 2023	In Regent Park, the team helped the “Building Leaders for Change” youth group to receive a \$100,000 grant to continue the work they do with local children and youth.
Q2 2023	The VRP team initiated a youth working group where youth services, agencies and youth-led grassroots organizations come together to exchange knowledge and support youth employment in the Downtown East corridor.

Table 3: Q1 and Q2 2023, Violence Reduction Program Initiatives – East Region

Quarter	Initiative
Q1 2023	In Chester Le, the East VRP Team has established an ongoing partnership with Agincourt Community Services Association’s Violence Prevention Team to provide referrals and support for community safety initiatives.
Q1 2023	The VRP team has taken proactive steps to address mental health concerns in the Flemingdon Park area by organizing workshops and partnering with The Neighbourhood Organization for the Mothers Against Violence program.
Q1 2023	The Danzig and Empringham communities have benefited from a range of engaging initiatives for youth, including a boxing program through TAIBU and MMA World Academy, outings to movie premieres via The Black Academy, a StreetARToronto and Behind the Line youth art mural project, and a tutoring program.
Q1 2023	Provided support to youth and young adults in conflict with the law, including those Not in Employment, Education, or Training (“NEET”).

Quarter	Initiative
Q2 2023	The Head of Household Forum was held for over 150 tenants and service providers. This event featured 10 service providers that focused on mental health, healing and support for victims or people exposed to violence.
Q2 2023	The East VRP team worked on a community employment program with Access Employment for the entire portfolio including coordinated youth basketball drop-ins, connecting tenants to healing and trauma-informed therapy sessions, and sustained food security initiatives at various VRP sites.
Q2 2023	Youth engagements took place across the East portfolio. The VRP team established youth employment programs and restorative justice projects with the City of Toronto in Sparroways and Danzig. In addition, tutoring programs, STEM programs, bail and probation support and helping tenants apply for the Crisis Response Fund were offered.
Q2 2023	The team conducted monthly virtual community safety meetings to discuss concerns and provide updates on ongoing initiatives.

Table 4: Q1 and Q2 2023, VRP Special Constables Events

Quarter	Initiative
Q1 2023	Two meetings focused on Fire Safety were held on March 22, 2023. The first was at 4205 Lawrence Avenue East, where the Lawrence East Partnership Program (“LEPP”), TPS, CSU, CSC, and Fire Life Safety (“FLS”) gave a presentation to 20 tenants. The second meeting was at 4175 Lawrence Avenue East, where TPS, CSU, and CSC attended and received a presentation from Fire Life Safety. There were 30 tenants present at this meeting.
Q1 2023	On March 1, 2023, CSU VRP officers and TPS neighborhood officers organized information sessions at 35 Shoreham Drive and 7 Arleta Avenue. The sessions aimed to educate senior residents about common scams and frauds, helping them to be better equipped to protect themselves from such crimes.
Q1 2023	On March 27, 2023, the Neighbourhood Community Officer Regent Park Safety Meeting was held, and 30 tenants attended.

Quarter	Initiative
Q2 2023	On April 1, 2023, the VRP officers attended the Easter Event in the Danzig Community. Gift cards, food baskets and Easter chocolates for the children were distributed.
Q2 2023	On April 21, 2023, VRP officers attended the “Midnight League Basketball” at the University of Toronto with members from Regent Park, Gordonridge, Finch, Kingston, The Esplanade and the East Mall communities.
Q2 2023	On May 9, 2023, VRP officers took part in “Mother’s Day Luncheons” at 4205 Lawrence East, Empringham/Danzig and 4175 Lawrence East where more than 140 people attended. Flowers and gift bags were distributed to the mothers.
Q2 2023	On June 11, 2023, VRP officers attended a “Community and Family Fun Day” at 200 Tretheway hosted by the Toronto Police Service, which provided information and discussion with community members.
Q2 2023	On June 23, 2023, VRP officers attended an Eid celebration, welcoming newcomers from Afghanistan as a part of Project Hope. Clothing, hygiene products, school supplies and gift cards were distributed.
Q2 2023	On June 3, 2023, VRP officers assisted with TCHC’s Regent Park Safety Jam. Hundreds of community members came out for live entertainment, food, cotton candy, ice cream, raffles and a bouncy castle.
